

The Jack Up 50 is a versatile asset supporting the project fleet. Features include a deck load capacity of 45 tons when in tow and a lifting capacity of 15 tons up to 100'. The barge is ideally suited for use as a platform for drilling or other construction projects.

At McKeil Marine we approach each cargo movement and every service with the promise to deliver innovative marine solutions.

Since 1956 we've pushed the boundaries, becoming one of the foremost marine service providers in Canada. Customizable transportation and project solutions including marine transportation, marine construction, project cargo, salvage, towing and ship assist are available throughout the Great Lakes, St. Lawrence Seaway, East Coast and the Canadian Arctic.

Moulded Depth	7' 3"	1.61 m
Gross Tonnage	84 t	
Net Tonnage	84 t	
Classification	Transport Canada	
Notation	Jack Up Barge	
Cargo Capacity in tow	45 t	
Cargo Capacity at 50'	25 t	
Cargo Capacity at 70'	15 t	
Spuds	3 @ 16" Diameter, 100'	

EQUIPMENT

Power Generation

4-71N Detroit Dieseldriving 75KW.
3 Phase, 60 cycle, 600 volt alternator, and 35 GPM, 2000 psi hydraulic pump.

Crane Equipment

Pitman HL100A Hydra-Lift, 15' standard-boom with 8' hydraulic telescopic extension, tip sheave assembly and 10' jib.

Other Equipment

Portable Welder/Generator: Miller Bobcat
Portable Air Compressor: Sullair Corp 425JD, 425 CFM @ 100 PSIG, 2300 RPM
3 anchors with 1/2" X 1200' long cables

Live Saving Equipment

1 - 10 man inflatable liferaft
1 - 14' aluminum lifeboat
2 lifebuoys, life jackets

Fuel Capacity 720 Imp.gallons
