

Special features include, steel deck construction and moveable spud wells. Ideally suited for use as a construction platform, it also transports cargoes. A reliable and versatile unit, the S/VM 86 services the Project fleet.

At McKeil Marine we approach each cargo movement and every service with the promise to deliver innovative marine solutions.

Since 1956 we've pushed the boundaries, becoming one of the foremost marine service providers in Canada. Customizable transportation and project solutions including marine transportation, marine construction, project cargo, salvage, towing and ship assist are available throughout the Great Lakes, St. Lawrence Seaway, East Coast and the Canadian Arctic.

## HYDROSTATIC CHART

DWT (L/T)	DRAFT (M)	DRAFT (FEET)	DISPL (L/T,S.W.)	TPI
