

The Viateur's Spirit is a Canadian built, self-propelled sectional barge. Two Thrust Master units allow for extensive manoeuvrability. The barge can be towed, sail under it's own power or be trucked to any job site. A reliable and versatile unit, the Viateur's Spirit serves the Project fleet.

At McKeil Marine we approach each cargo movement and every service with the promise to deliver innovative marine solutions.

Since 1956 we've pushed the boundaries, becoming one of the foremost marine service providers in Canada. Customizable transportation and project solutions including marine transportation, marine construction, project cargo, salvage, towing and ship assist are available throughout the Great Lakes, St. Lawrence Seaway, East Coast and the Canadian Arctic.
